**SERMON #59 - HIS HOLINESS JESUS CHRIST'S DAY (CHRISTMAS EVE)**

*Holy See, Night of the 24<sup>th</sup> day of the 11<sup>th</sup> month Mậu Tý year (24/12/1948)*

At this moment 1948 years ago, a Supreme Being descended to spread Religious teachings in the West. The Supreme Being who brought peace and salvation reincarnated to establish His Religion and leave behind a great civilization for mankind. The civilization has lasted for 1948 years.

In the dying moments of His Holiness Shakya, Anan Ca Diep (Ananda and Mahākāśyapa) cried and asked, "After you are gone, who will teach us?" His Holiness Shakya said, "One Being will come after Me who will be even more powerful." His Holiness Shakya was referring to the Western Religious Leader Jesus Christ. That elder brother foretold mankind that His succeeding brother was coming. He also said that He would be even more powerful. He is truly so.

When His Holiness Jesus Christ in the West was about to be crucified, the Apostles moaned, "If you are crucified, who will teach us?" He said, "I have to go; I have to return to My father. I have to return for joy. Later, one Being will come to you to comfort and teach you many mystical secrets." His Holiness Shakya said one Being would be even more powerful than Him; that Being is certainly the Western Religious Leader Jesus Christ. The Lord foretold mankind that after Christianity the Cao Đài Religion will appear.

There is one spirit among the Brahmanist Trinity whose name every man knows. In the First Cycle, there is Brahma who stands for Creation; in the

Second Cycle, there is Shiva who stands for Evolution; in the Third Cycle, there is Krishna who stands for Restoration. That Being who has the power of Restoration stands for love. As a result, His Holiness Jesus Christ loves mankind immensely. He saw that mankind had violated Divine Laws and committed horrible sins. Due to such karma, human sins are still known to this day. Christin doctrine calls it 'original sin'. He came Himself in a physical body. He signed the Second Covenant with the Supreme Being and shouldered the sins of mankind. He signed the Second Covenant in order to guide living beings back to our Kind Father, i.e. the Supreme Being or our Great Merciful Father today. That Being lives forever. Seeing the rampant sins of mankind, He descended to become a sacrifice and redeem those sins. He also placed the Supreme Being's power in human hands. His hands signed the Second Covenant for mankind; what happened to Him? Because His hands signed the Covenant with the Supreme Being, they were nailed to the Crucifix. His legs walked before mankind to guide them to Eternal Life; those legs were also crucified. His heart filled with endless love was stabbed by a senseless sword. His blood was shed to save mankind. That endless love left a motto of love to mankind, which encourages mankind to regard each other brothers and people of the same race. In 1948, mankind no longer seeks His Teachings for sure. Bần Đạo say with certainty that mankind has completely forgotten Him. Today, since the entire mankind on this earth does not follow His words and His steps, destruction is imminent. When the entire mankind respects each other in brotherhood, killing and destruction will end on this earth. Those two tragedies may lead mankind towards annihilation, because they do not follow Him. He sacrificed His blood and body to the Supreme Being in order to beg for the redemption of mankind. Mankind will be unvirtuous for not following the Saviour/ Messiah who told us brothers to love and help each other till the end of our life. In contrast, the Second Covenant signed with the Supreme Being has been revoked by mankind. How can't they commit serious sin?

Tonight is to commemorate the day the Saviour/ Messiah passed away. He used endless love in the hope of changing the dangerous situation; He used love to relieve mankind from suffering. Let us pray to Him with our heart so He will open the Divine eyes of living beings. They will see where their real life

is, and will no longer be illusioned and ignorant. They will be wise enough to give up on their sinful desires and feelings. We pray tonight to avert the killing and destruction, and save them from disaster.

His Holiness Jesus Christ sacrificed His blood and body to redeem human sins. Now is His Holy moment when He uses the power of endless love of the Supreme Being to forgive mankind.
